

FINAL GRADE

- * **In order to be eligible to receive a grade higher than “Pass” for the clerkship a student MUST:**
- **Complete the Abdominal, Vascular and Trauma Examination requirements in your passports prior to the shelf examination.**
 - **Complete the mandatory case logs on MedHub & WISE-MD cases by the end of the rotation.**
 - **Complete weekly duty hour log on MedHub by each Tuesday (100% completion) and all duty hours completely logged by the end of the rotation.**

HONORS	12 or more points
HIGH PASS	8 to 11 points
PASS	-6 to 7 points
FAIL	-7 or less points, ***
CONDITIONAL	**

** **A grade of conditional is given if the student’s grade for the NBME examination is 54 or less. A passing grade is 55. If a re-examination is required and approved by the MSEC board, the same minimum score of 55 will be necessary in order to receive a final grade of “Conditional/Pass.”**

*** **Point scale values for the Practical exam is subject to change based on the mean score for the rotation. The below is an estimate based on previous year’s averages. In general, if a student scores around the mean for his/her respective rotation, no (zero) points will be awarded. For the GW Practical Examination, a grade of Fail is given if your score merits –2 points.**

**** **If you disagree with your final grade or evaluation and believe that it is inaccurate or unfairly arrived at, you can appeal by written letter or email to Dr. Lee. You will have two weeks from the date you receive your grade by email from Thomas. Dr. Lee reviews all appeals and you will receive notification of his decision. You can refer to the rules of appeal on the medical school regulations manual. Written examinations cannot be contested.**
